Good morning,

Membership is not required to own within the community. However, access is limited to public spaces (restaurants, retail outlets, golf on public course, etc.) without a membership...

Thank you for your interest in the Boulders Club. We have recently completed an addition to the Clubhouse which includes an expansive outdoor terrace and also a complete renovation to the men's and women's locker rooms. At the Boulders, members are never asked to pay any assessments or food & beverage minimums allowing members to enjoy upgraded facilities at no additional cost. And, members receive full access to the award winning Boulders Spa, including 30-40 weekly group fitness classes. Additional amenities at the Boulders include two fitness centers, three pools, and five restaurants.

We offer 80% refundable initiation fees and our monthly dues are among the lowest in North Scottsdale, creating exceptional value for the great golf courses and impressive amenities available at the Boulders. We are also affiliated with Troon Golf allowing golf members the privilege to play other Troon private and public courses at great discounts. <http://www.troonprive.com/index.php>

I've attached our current membership pricing and information. ***The Premier Golf Membership is available to all residents while the Social and Clubhouse memberships are reserved for residents within the Boulders community only.***

Please let me know if you have any questions. I'd be happy to discuss membership further. Or, if your schedule allows, I'd be happy to give you a tour of the property at your convenience.
