

Roof Work

SUNVEK inspected the roof and determined that the Main House roof is ready for replacement and that the Guest House roof needs an elastomeric recoating. The Seller contracted with SUNVEK to replace the Main House roof and recoat the Guest House roof with the work to begin on November 18, 2018.

Following this cover-page is the SUNVEK Proposal and Installation Agreement signed by the Seller to commission the roof work done for \$17,250.00. The roof work comes with a 5-year SUNVEK limited labor warranty and manufactures material warranties.

Also included is the roof warranty from SKYTOP, Inc. for roof recoating work performed on March 3, 2010.
